NOTES IN EXPLANATION.

I.—PRESENT AVERAGE WEEKLY COST PER HEAD OF PERSONS-RELIEVED.

This has been entered at foot of each Return as additional information of some value, and will enable the average daily number in receipt of relief for any electoral division or union to be calculated, if it be desired to do so, by dividing the total annual cost by the annual cost for one person.

II.—UNION AT LARGE.

The amount shown in the Tables, being limited to in-maintenance and out-door relief, shows only a portion of the union charges. The following are the principal of such charges:—

In-maintenance and out-door relief chargeable to the Union	£.
at large	181,098
Establishment Charges	198,984
Expenses under Registration Acts	13,014
	<u>£. 373,096</u>

The total expenditure under the Poor Relief, Registration, and other Acts, included in column 5, amounts to 809,472 £, of which the above union charges form 46 per cent.

Column 5 includes the sum of 139,170 £. for medical charities relief and vaccination expenses, which strictly are neither electoral division nor union charges, but are charged according to net annual value upon the electoral divisions comprised in the dispensary districts, which contain, on an average, four electoral divisions each.

The total amount in column 5, amounting to 948,642 £, may be thus stated:—

	£.	
Union Charges	386,420	or 40·7 per cent.
Dispensary Charges	139,170	" 14·7 "
Electoral Division Charges	423,052	" 44·6 "
TOTAL	<u>£. 948,642</u>	<u>100</u>

III.—In preparing the SUMMARY of UNIONS, certain columns, which are applicable only to electoral divisions, have been omitted, and other columns introduced, showing the effect of union rating on the electoral division with the highest poundage of expenditure, and also on that with the lowest. Columns to show the average weekly cost of in-maintenance and out-door relief for each union have also been introduced into this Summary.
